Question 1:

Children are curious by nature and love trying new things when presented with the opportunity. This was discovered by a journalist years ago when Quiz Kids showcased their intelligence on the radio. He found that, despite their diverse backgrounds, they all had at least one parent who recognized and encouraged their children's accomplishments.

Question 2:

Numerous renowned people occupied the first-class suites of the famous Titanic which was thought to be unsinkable with its watertight compartments and a double bottom. Hundreds of immigrants packed themselves in the lower-class cabins hoping to reach the place that promised a better life.

Question 3:

The pastel hues of the nacreous clouds may make one feel that it is an artist's abstract painting rather than real-time clouds. The credit for this pristine beauty goes to the stratosphere in which they nest. Also known as the "mother of pearl", these clouds are visible only in the early evening or dawn in a frigid climate.

Question 4:

Although anyone can catch the flu virus, it poses a greater risk for some individuals who may have co-morbid conditions. Hence, it is necessary to get vaccinated. If one is suffering from asthma, diabetes, or other serious health issues, it is imperative to protect oneself through vaccination.

Question 5:

The main factor contributing to the declining number of sandpipers is the continuous destruction of the places they use as stopovers on their migratory route. Tidal areas, where migratory birds used to rest and refuel, are being destroyed by ever-expanding industrial cities. Subsistence hunting is another reason for this

decline, and conservationists are working on it, though their intervention is at a small scale
